### **Required Related Experience**

Doctoral or post-doctoral research experience in child trauma or child maltreatment or related areas is required.

### **Required License/Registration/Certification**

Licensed for or eligibility to be licensed for independent clinical practice preferred

### **Job Summary**

The Center on Trauma and Children (CTAC) is hiring an Assistant Professor (Regular Title Series). This faculty position will allow the Center to expand its research activities in the area of child trauma. This individual will write grants, participate in funded research as a Co-I, engage in scholarship including completion of refereed publications and presentations, as well as work on grant related projects.

Please include a Cover Letter and CV along with application. Applications will be reviewed immediately. Position will remain open until filled.

### **Skills / Knowledge / Abilities**

Expertise in child traumatic stress and child maltreatment, research methods, qualitative and/or quantitative analysis, grantsmanship and trauma-focused interventions preferred

### **Contact Information**

Please reference Academickeys in your cover letter when applying for or inquiring about this job announcement.
