<b>Job Description</b>	

RMIT Vietnam

RMIT Vietnam, an entity of RMIT University, has campuses in Ho Chi Minh City and Hanoi since 2001. We provide internationally recognised, high-quality, education and professional training for students, clients and the community, and assist in the development of human resources capability in Vietnam and the region by hosting students from Australia and many other countries.

### School of Communication & Design

At RMIT Vietnam, we believe that creative minds should be challenged, inspired and cultivated. The School of Communication & Design is building Vietnam's creative leaders of tomorrow through interdisciplinary programs in the fields of communication, design, architecture, fashion and film.

Our unique programs embed theory and technical skills within creative and professional practice to ensure that graduates are both knowledgeable and work-ready. The emphasis throughout teaching and our student's work is to be Experimental; Ethical; and Exceptional.

The aim of the School of Communication & Design over the next 5 years is for RMIT Vietnam to be acknowledged as having one the most respected creative hubs in South East Asia.

### The role & key responsibilities

The Lecturer/Associate Lecturer, Communication is required to teach and conduct classes at the Saigon South, Pham Ngoc Thach and Hanoi campus of RMIT Vietnam and contribute research efforts of the University, within the School of Communication & Design, specifically within undergraduate Programs. The successful candidate will also actively promote the Programs by establishing and maintaining memberships, links and partnerships with academic, industry, and professional communities.

### Key selection criteria

Master Degree (for Associate Lecturer) or PhD (for Lecturer) roles.  
At least 5 years relevant experience, teaching in a University environment.  
Proven teaching proficiency in communication.  
Recognised research profile.  
Strong team player with an inclusive and collaborative approach.
