Job Description

The Afroamerican Univeristy of Central Africa (AAUCA) has commenced a comprehensive global search for the appointment of young practice assistants to reinforce pedagogical activities related to teaching and research. This constitutes an excellent opportunity for young professionals to become part of an educational institution that seeks to become a reference of the Equatorial Guinean and international higher education, very particularly thanks to the strong support granted by the national government and the strategic vision that drives the Organization. Consequently, one (1) position for a Practice Assistant in Economics is available.

As a Practice Assistant in Economics, you will form part of a team of experts who will be supporting teaching and research in a new-born university with a strong international orientation. You will be
