**Job Description**

Post Grad Intern - Counseling Center - (20001630)  
Description

This is a limited term position running from August 23, 2021 - August 19, 2022.

The department provides outreach and direct clinical services including: consultation to parents, deans, faculty, and other concerned members of the university community; outreach activities and related programs; initial evaluations and psychodiagnosis; treatment planning; individual short-term psychotherapy; crisis intervention; group treatment; and referral services.

This is a full-time, 12-month appointment in a busy college mental health clinic. This position is one of three postdoctoral fellowships; fellows will work alongside psychologists, social workers, and psychiatric staff to provide a full range of clinical and outreach services to the Tufts community.
