Job Description

Founded in 1988, the Higher Colleges of Technology (HCT) is the UAE's largest, gaining a well-respected reputation for innovative education practices and job-focused experiential learning. Approximately 23,000 students attend 16 modern, technology-oriented men's and women's campuses throughout the UAE. HCT employs more than 2,000 staff, from over 80 nationalities, who share professional practices and innovative ideas thereby enriching the HCT community.

As a constantly growing and revolutionary educational entity, HCT has swiftly adapted its "Hybrid Education Model" as part of the "new normal", where teaching and learning can be ensued both online and on-campus. To accomplish this 'Hybrid Education Model' successfully, HCT is equipped with 'Digi-Campus' service; allowing disruptions due to COVID-19 to be addressed and resolved, hence meeting the demands of Education and Service through "Personalized, Anytime, Anywhere" concept.

For HCT to grow in its aspiration to be the Destination of Applied Education, the Human Capital seeks out avant-garde "Global" academic and industry experts to help nurture the brilliant new minds of its

students.

HCT offers over 70 Academic Programs in all Academic Divisions such as Applied Media, Business, Computer Information Science, Education, Engineering Technology & Science, Health Sciences, Arabic & Emirati Studies and General Studies (Maths & English). These programs incorporate principles of Innovation and Entrepreneurship to ensure HCT students' skills are up-to-date and to the highest standards. The HCT courses are a hybrid blend of innovative, technology-driven academic studies and work-relevant programs, ensuring that HCT graduates have the necessary 21st century skills to make positive and lasting contributions to society in the 4th Industrial Revolution. Visit www.hct.ac.ae

We are pleased to share that the HCT Senior Leadership Team will be interviewing Academic Faculty candidates in the USA and UK for the following positions:
