Job Description

Job Summary

Faculty members will be expected to conduct innovative, rigorous, grant funded research and engage in scholarly activities (peer reviewed publications, presentations, etc.). Faculty members also will contribute to undergraduate teaching in the Lewis Honors College, behaviorally oriented training of UK medical students and research training of UK graduate students and postdoctoral scholars associated with the Department of Behavioral Science, including mentorship programs, courses, workshops, and supervised research. Faculty members also are expected to engage in broader research and training initiatives across all 16 Colleges of the University of Kentucky, including Colleges of Arts and Sciences, Public Health, Pharmacy, Nursing, Communication and Information Sciences, Health Sciences, etc.

These initiatives include grant consultation and review; a dynamic speaker series and other enriching events like our annual Substance Use Research Event; pilot project competitions; and outreach to the lay public.

Please include a current CV and cover letter when submitting your application.

The University of Kentucky considers the health, safety and well-being of our entire community to be a top priority. In alignment with this priority, all new hires must provide proof of COVID-19 vaccination or obtain an approved medical or religious exemption as a condition of employment. For areas that fall under the federal CMS mandate, start of employment cannot occur until two weeks after receiving the full COVID-19 vaccination series or upon obtaining an approved exemption. Only vaccines approved by the World Health Organization can be accepted.
