Job Description

Greenhouse Studios at the University of Connecticut is accepting applications for a Post MLIS/MIS/Ph.D. Postdoctoral Research Associate with an anticipated start date of October 2023.

The Greenhouse Studios Post MLIS/MIS/Ph.D. Postdoctoral Research Associate contributes leadership, project management, and research expertise to the Sourcing project (sourcingapp.org), an open-source web application that provides improved access to remote archival documents. The Greenhouse Studios Post MLIS/MIS/Ph.D. Postdoctoral Research Associate will lead end-user outreach efforts and work closely with the design and development team to plan and implement new technical features. The ideal candidate will bring one or a combination of the following to the position:

experience in the production of digital scholarship and/or online publishing; knowledge of current and emerging digital technologies in archival science, data management, access, and preservation; knowledge of web and interactive design; and/or other functional areas of the candidate's expertise.

As an innovative research unit located within the UConn Library, [Greenhouse Studios](#) also provides opportunities for research associates to interact with cross-disciplinary partners while exploring new methods for research, experimentation, collaboration, and publication of information. Greenhouse Studios is a joint effort of the UConn Library, the School of Fine Arts, and the College of Liberal Arts & Sciences, with each contributing resources and personnel to advance scholarly communications research. The appointment term of the position is one year with a possible renewal depending on future grant funding.

EEO/AA Policy

All employees are subject to adherence to the State Code of Ethics which may be found at?
<http://www.ct.gov/ethics/site/default.asp>.

All members of the University of Connecticut are expected to exhibit appreciation of, and contribute to, an inclusive, respectful, and diverse environment for the University community.

The University of Connecticut aspires to create a community built on collaboration and belonging and has actively sought to create an inclusive culture within the workforce. The success of the University is dependent on the willingness of our diverse employee and student populations to share their rich perspectives and backgrounds in a respectful manner. This makes it essential for each member of our community to feel secure and welcomed and to thoroughly understand and believe that their ideas are respected by all. We strongly respect each individual employee's unique experiences and perspectives and encourage all members of the community to do the same. All applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status.

The University of Connecticut is an AA/EEO Employer.
