Hawai'i Pacific University is designated as an Alaskan Native and Native Hawaiian (ANNH) Serving Institution by the US Department of Education. As such, we strive for accurate displays of the Hawaiian language in all our institutional materials. This includes the appropriate use of diacritical marks such as the 'okina and kahako. Unfortunately, at times external vendors and other third-party technology integrations do not support the use of these characters. Mahalo for your understanding.

Description

Job Summary

Under the general direction of the Department Chair, the Assistant Professor will cultivate a course of professional growth as a teacher and scholar while performing service to the department, college, university, and community. The successful candidate will engage in scholarship activities, with priority for those, which engage and enhance the academic and professional development of students. The successful candidate will teach at least 50% in the Doctorate in Clinical Psychology (PsyD) program and the remaining time in the Bachelor of Arts (BA-PSYC) program. The successful candidate will have the demonstrated ability to teach several of the following courses:

meetings in the week before the start of academic terms. Faculty presence and engagement is expected during academic terms that faculty have teaching responsibilities.

This is a full-time position with up to 24 credits of teaching over the academic year that runs from mid-August to mid-May.

Hawai'i Pacific University (HPU) is a private, non-profit institution of approximately 3,500 undergraduate and 800 graduate students. Founded in 1965, it is Hawai'i's largest private university with its core campus in the heart of Honolulu's business district.

Qualifications:

Minimum Qualifications:

- An earned doctorate in Clinical Psychology or from a closely related area from an accredited university. (ABDs must complete the degree by December 31, 2024.)
- Experience and ability to teach undergraduate and/or graduate courses in a university setting
- Desire to mentor students in their course work and career goals
- Experience engaging in original research or scholarship appropriate to the discipline.
- Demonstrated promise of institutional and professional service beyond teaching and scholarship.

Desired Qualifications:

- Demonstrated evidence of teaching effectiveness.
- Strong commitment to inclusivity and diversity, and ability to interact effectively with diverse cultures and ethnic groups.
- Excellent oral and written communication skills.
- Strong interpersonal skills.
- Ability to network with community organizations and programs to develop partnerships for the benefit of students, faculty, and the university.

- Develop a syllabus of course activities that meet the requirements of the course description or program chair, establishes appropriate student learning outcomes, and provides for appropriate class activities throughout the semester.
- Plan and deliver individual classes that conform to the syllabus and other requirements of the University.
- Demonstrate a command of the discipline and skill in presenting it effectively in the context of an integrated education.
- Maintain accurate and complete records on student participation and performance, use appropriate measures and evaluate student performance on the basis of established student learning outcomes, provide timely feedback to students and assign grades that are an accurate and fair evaluation of student work.
- Submit grades and any other required documentation in a timely manner.
- Administer student evaluations of faculty at the end of each course, review evaluation summaries and meet with department chair and dean to review.
- Post and maintain regular office hours at times reasonably convenient to students. ?Serve as an advisor to students to assist them in understanding the curriculum, especially within the major, and mentor them as they plan their degree programs and careers.?
- In additional to formal course loads, bear a fair share of the faculty responsibility for supervising student research, professional internships, and independent study.
- Faculty not assigned to College of Professional Services (CPS) may be required to teach up to two courses per academic year on a Military Program campus, but no more than one per semester.

Scholarship and Professional Development (15%)

- Engage in research or scholarly projects appropriate for the field.
- Apply for and obtain, internal and external research funding.
- Disseminate research findings through publication, conference presentations, and invited talks.
- Contribute to institutional and infrastructure grant writing.
