candidates, including letters of reference, will be made available for review by the entire faculty of the Department of Psychology.

Required qualifications: The candidate must have a Ph.D. in Clinical or Counseling Psychology, APA-approved, CPA-approved or substantially-equivalently approved internship, and tenure as an Associate or Full Professor at an accredited institution. Candidates must also have a record of leadership relevant to the position; current license to practice psychology in Colorado or eligibility to apply for or transfer the license to Colorado by the date of employment; an active research program; a sustained record of research publications; a sustained record of external research funding; and a record of teaching undergraduate and graduate courses.

Preferred qualifications: Priority may be given to candidates with one or more of the following preferred qualifications: (1) A publication record as first or senior author in primarily top-tier journals; (2) A record of advising and mentoring graduate student research; (3) A record of supervision of students/interns/residents' counseling/clinical work; and (4) Evidence of diversity, equity, inclusion, and social justice (DEISJ) leadership in research, practice and/or service, consistent with CSU institutional values and goals.

CSU is an EO/EA/AA employer and conducts background checks on all final candidates.
