contribute fully to academic administration in both the Department and the College.

Key Responsibilities

The successful candidates are expected to have extensive teaching experience, together with a significant publication record, proven research experience and to have demonstrated academic leadership and an ability to lead and manage effectively. The broad balance of duties for Professors (at all levels) includes Teaching, Supervision and Examining (40%), Research (40%) and to contribute to the overall development of the College and Departmental profile as a world-leading provider of education, training and research of the highest academic standard (20%).

About the University

United Arab Emirates University (UAEU) is the oldest university in the United Arab Emirates – founded in 1976 – and has a clear mission to maintain and enhance its high reputation in the country, the region and beyond as “The University of the Future”.

The College and Department

The Department of Government and Society, is interdisciplinary, with 24 full-time faculty members specializing in Sociology and Political Sciences For additional information about the Department and our programs, please see the following web site:

https://chss.uaeu.ac.ae/en/departments/government_society/

What We Offer

Faculty arriving at UAEU will join a lively, intellectually stimulating and multi-disciplinary academic community with internationally-competitive standards in research and teaching, and enjoy an excellent standard of living in beautiful surroundings on campus and outside. The University offers a competitive compensation package for faculty with a starting annual salary commensurate with experience. In exceptional cases, appointments advertised for posts at Assistant Professor level may be made to Associate Professor. There is the opportunity for promotion in post through the annual review and promotion system.

Education & Qualifications

- Candidates must have a PhD in Sociology, with specialization in applied sociology and data analysis and special focus on Medical Sociology from a reputable university
- Candidates should have an excellent expertise in teaching both graduate and undergraduate
