Job Description	

The Economics division at NTU provides a vibrant and supportive environment for high-quality research. Faculty members are actively engaged in policy-relevant and internationally recognized research, supported by access to rich datasets, computing resources, and collaborative networks. The position offers opportunities to contribute to impactful projects, mentor students, and develop research portfolios in a dynamic academic setting.

Posted Apr. 30, 2025, set to expire Aug. 30, 2025

The Economics Program at NTU's School of Social Sciences seeks a highly motivated postdoctoral research fellow specializing in econometrics and empirical macroeconomics. Candidates with strong records in other fields are also welcome.

Key Responsibilities:

- Conduct research in the fields above
- Collect, analyze data and draft preliminary empirical results
- Support Economics faculty members on research grant applications
- Publish papers in high quality journals
- Assist economics faculty on supervising graduate and undergraduate students in specified fields

Job Requirements:

- The candidate should possess a PhD in economics or a related discipline within 2 years after obtaining PhD degree.
- Good publication track record indicated by first author or lead author publications in high quality journals.
- Excellent written and verbal communication skills in English - essential for data analysis and communication with stakeholders
- Able to supervise both graduate and undergraduate students.
