Job Description

This is a two-year limited term appointment. Continuation of employment is contingent upon availability of funds.

The Auburn University Libraries seeks an enthusiastic, proactive, and detail-oriented individual to serve as **Research Assistant**. Reporting to the Coordinator of Research Support, the Research Assistant will assist library personnel in planning, sustaining, and completing research and assessment projects related to the Libraries' mission and strategic plan. As part of the Research Support unit, this position will be expected to work closely with other personnel in the Department, as well as the other units within the Libraries, on new and existing projects.

Minimum Qualifications
