policies and regulations encouraging sustainable economic growth and development – all in the spirit of Albert Winsemius's contributions to Singapore.

Nanyang Technological University, Singapore, is looking for candidates with either Bachelor or Masters training in economics, cost-benefit analysis, public policy, developmental economics and/or related disciplines to support ongoing research project activities under the Albert Winsemius Chair Professorship on part-time basis.

This position will report directly to the Albert Winsemius Chair Professor and offers an excellent opportunity to develop skills in applied economic research. Attached to the Albert Winsemius Chair and Economic Growth Centre, successful candidates will collaborate closely with the Chair Professor and his team, and perform a variety of functions:

Key Responsibilities

- Conducting literature review on the economic development of Singapore, and state-of-the-art cost-benefit analysis valuation techniques
- Assisting in the writing of a book manuscript on the economic development of Singapore
- Preparing sections of surveys, experiments, analysis plans, manuscripts, reports and grant proposals
- Assisting in conducting surveys, experiments, and data analysis
- Support the research projects and activities under the Albert Winsemius Chair:
