is expected to teach well and contribute to NCPA's education objectives.

Candidates with the following qualifications are encouraged to apply:

- PhD in Economics, Political Science, Public Policy, Public Administration, Management, or other related advanced degrees.
- Ability to teach postgraduate-level courses in English and/or Chinese specializing in Applied Economics, Finance and Macroeconomic Policy, Public Management/Public Administration, Politics and Public Policy (especially in Asia), Technology Policy and AI Governance, or related areas.
- A record of teaching in tertiary educational institutes for similar subjects is strongly preferred.
- Interest in developing new courses in your specialization. Providing 2-3 synopsis of courses you are keen to teach (have or have not taught) is strongly encouraged.
- Demonstrated potential for scholarship in a research area undertaken by NCPA is an advantage. These areas include (but are not limited to) Asian governance, talent strategies and digital regulations.
- Candidates for the Lecturer position should have experiences in the relevant areas of teaching and course development.

Key Benefits

NTU offers an internationally competitive salary commensurate with the candidate's qualifications and experience.

Application

Review of applications will be on an on-going basis until the positions are filled. Applicants are invited to submit their applications (cover letter, CV, teaching and research statements, student feedback on teaching (if applicable), synopsis of courses) through
