Job Description	

Job Description Summary

Auburn University's Department of Economics invites applications for a tenure-track position at the rank of Assistant or Associate Professor with a specialization in Microeconomics or Applied Econometrics, effective Fall 2026. We welcome candidates with a proven record of accomplishment appropriate to their career stage. The duties of this position include publishing research in peer reviewed academic journals, teaching graduate and undergraduate courses, and performing service for the department and the profession. The ability to work collaboratively with others in the department is also desirable.

Minimum Qualifications

A Ph.D. in Economics or a related field is required at the time employment begins.

Special Instructions to Applicants

Review of applications will begin on January 5, 2026, and will continue until the position is filled. The successful candidate must meet eligibility requirements to work in the United States at the time the appointment is scheduled to begin and continue working legally for the term of employment.

Applicants should submit a cover letter, curriculum vitae, one or two working papers, evidence of teaching effectiveness, and contact information for three references through the web link provided below.
