<b>Job Description</b>	

The **College of Liberal Arts** at Auburn University is seeking a dedicated **Psychometrist I, II, III** to join our team. The individual hired will be tasked with providing psychological services in the form of psychological assessment, diagnosis, and consultation with multiple stakeholders to assist in treatment planning services for youth that are committed to the Accountability Based Sexual Offense Prevention Program (ABSOPP). Ensures that clinical and electronic files comply with the American Psychological Association (APA), various mental health licensing boards, the Alabama Records Disposition Authority, and the state archives guidelines for record keeping and management. Coordinates and develops effective lines of communication between treatment staff, residential staff, Department of Youth Services, and the Alabama Juvenile Courts throughout the state for the ABSOPP population which serves juveniles adjudicated for committing sexual offenses.
