Job Description

RESEARCH-ACTIVE ACADEMICS

As part of a 5-year strategic research plan, we are now investing in 100 new research-active academics in the broad areas of Business, Hospitality & Tourism, Arts & Social Sciences, Science & Technology and Medical Sciences to further strengthen the international standing of Taylor's University.

These new appointments are a part of the university's RM150 million investment to drive high-impact research aligned with the development goals of our Nation and the Global community. As one of Asia's most dynamic, young universities, we seek passionate and ambitious people to join our team.
