Job Description

Extension agents are professional educators who serve as a link between Kansas State University and communities across Kansas. This position will provide primary leadership for the development and implementation of research-based educational programming for adult audiences. Programming will include, but is not limited to financial considerations and management, health and nutrition, psychological well-being, Medicare, elder abuse and support, and related topics.

Required Qualifications:

Bachelor's degree with major course work, professional development, and/or experience related to
