Job Description

The Department of STEM Education & Professional Studies seeks applicants for a 10-month faculty position as a Lecturer of Library & Information Studies to start July 25, 2024. The primary responsibilities for this position are:

- To develop and teach graduate, distance learning courses in library and information studies (2/2 teach load).
- To participate in the administration and recruitment initiatives of the Master of Library and Information Studies program.
- To develop and maintain relationships with employers in libraries, archives, and other related institutions to assist with recruitment, program growth, and placements.
- To participate in the professional and intellectual community through service in the program, department, and college.
- The Department of STEM Education and Professional Studies is proud to support a diverse and inclusive culture. Individuals from underrepresented populations are encouraged to apply.

Position Type:Full Time

Type of Recruitment:General Public

Type of Recruitment:General Public
